

Sample Documents / Download Instructions

1. Enter your access code in the «Berechtigungscod»-box:

Berechtigungscod

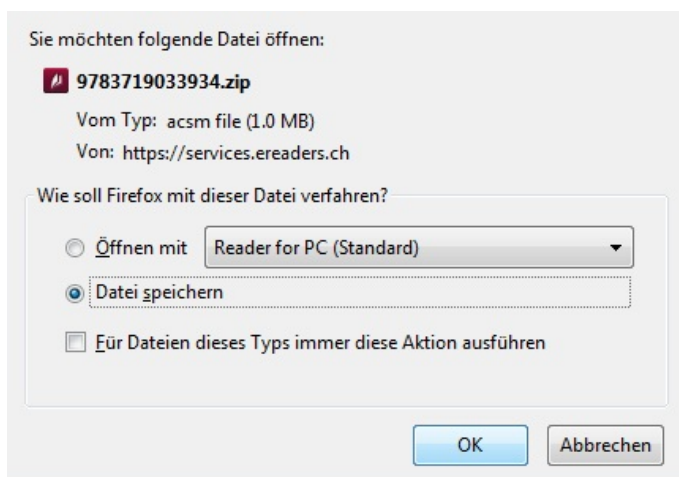

2. If you are owner of a webshop account log into your account. Otherwise create a new account and log in. You can download the file from your account repeatedly and on different devices.

3. Click:

4. Click:

Important!

Select „Datei Speichern“.

Sie möchten folgende Datei öffnen:

 **9783719033934.zip**
Vom Typ: acsm file (1.0 MB)
Von: https://services.ereaders.ch

Wie soll Firefox mit dieser Datei verfahren?

Öffnen mit Reader for PC (Standard)

Datei speichern

Für Dateien dieses Typs immer diese Aktion ausführen

5. To open the file double-click on .zip or select «unzip» by right-clicking mouse button and entering file storage location.

Note: In case .zip file does not open automatically, download a program for opening .zip files such as for example WinRar: www.winrar.com/download.html.

6. Open the first file in the folder «00_Inhaltsverzeichnis Zip-Ordner»

While holding the ctrl-key, select the requested sample document by clicking on one of the file names which are offered in two different format options.

The sample form now opens automatically.
